

**WHEN YOUR CAR'S LEAKING
OIL ON THE STREET,
REMEMBER IT'S NOT JUST
LEAKING OIL ON THE STREET.**

Lake Champlain
Basin Program

Leaking oil goes from car to street. And is washed from the street into the storm drain, and into our streams, rivers and Lake Champlain. Now imagine the number of cars in the area and you can imagine the amount of oil that finds its way from leaky gaskets into our water. So please, fix oil leaks.

For more information about local watershed groups or the Lake Champlain Basin Program, call 1-800-468-5227 or visit our web site: www.lcbp.org. The Lake Champlain Basin Program thanks the Washington State Department of Ecology, King County and the cities of Bellevue, Seattle and Tacoma for this poster design.
