

Love art? Love maps? Love Lake Champlain?

Join us to create a map of a place that's meaningful to you in the **Lake Champlain Basin** (or somewhere else) with **MollyMaps**.

Molly Holmberg Brown—a Maine-based visual artist, map-maker and geographer—will lead a two-hour workshop at each location. Participants will celebrate their connection to place through map-making and creative geographic expression working in watercolor and permanent pen. Molly provides the paints, the LCBP will provide contemporary and historical maps to use as reference (or bring your own!).

Friday, September 7, 5:30-7:30

Strand Center for the Arts, Plattsburgh, NY

Saturday, September 8, 11:30-1:30 (It's Art Hop weekend!)

Community Sailing Center, Burlington, VT

*Optional pre-workshop paddle on the Burlington waterfront with Mike Winslow, author of "Lake Champlain: A Natural History" starts at 9:00.

Cost: \$15 per participant

Pre-registration is required

Kayak rental for pre-workshop paddle in Burlington is additional \$15.

Cash or check payable/sent to:

Lake Champlain Basin Program
54 West Shore Road,
Grand Isle, VT 05408
